PROFESSIONAL EXPERIENCE

Cognizant Technology Solutions | Dec 2025 – Present

Analyst Trainee → ITSM Lead

Client: Victory Capital Management (VCM) — ITSM Lead | Mumbai | Jun 2026 – Present

- Manage the end-to-end incident lifecycle in ServiceNow, from logging and prioritization to resolution and closure.
- Coordinate change requests through the ServiceNow Change Management workflow, from review to implementation.
- Oversee day-to-day ITSM operations, ensuring accurate ticket records and adherence to ITIL 4 processes.
- Coordinate with assignment groups and stakeholders to drive timely resolution and communicate ticket status.

Client: ULTA — Infrastructure Support | Chennai | Mar 2026 – May 2026

- Performed Active Directory (AD DS) administration tasks within the client's Windows Server environment.
- Supported Windows Server infrastructure, troubleshooting and resolving server-related issues and incidents.
- Managed and monitored backup jobs, reviewing job status to support data protection and recoverability.
- Supported enterprise storage management activities as part of day-to-day infrastructure operations.
- Performed infrastructure operations and troubleshooting, coordinating with relevant technical teams to resolve issues.

Analyst Trainee — Enterprise Infrastructure Training | Chennai | Dec 2025 – Mar 2026

- Performed Linux administration: user and group management, file permissions, processes, and packages.
- Worked with Windows Server 2022, Active Directory basics, Group Policy, DNS, DHCP, IP addressing, and subnetting.
- Created virtual machines, managed snapshots, and resolved scenario-based infrastructure troubleshooting exercises.
